Meet your facilitators →

The course is designed as a building journey/arc that follows the same rhythm across all 8 weeks. **You'll receive a new topic and solo curriculum on Friday**, have the weekend to absorb it, then bring your learnings into two live experiential sessions during the week. Every session builds on the last, and is designed to help you integrate the learnings deeply so that it becomes a way of being.

MANDATORY

3.5h

Partner + Group Work

SOLO WORK

1-2h

Exercises & Prep

OPTIONAL

2.5h

Q&A + Study Hall

WEEKLY SCHEDULE

FRI
